At the Radisson Fort McDowell, guests can enjoy a fully equipped fitness center, heated outdoor pool and expansive children's water play area, all in addition to the resort's casino, which has entertainment almost every weekend.

**WE-KO-PA GOLF CLUB**

Scottsdale, Arizona

An otherworldly desert landscape and a pleasantly temperate climate set the scene for an idyllic Southwestern golf getaway at We-Ko-Pa Golf Club. This incredible hideaway, located in the Valley of the Sun, boasts unsurpassed world-class golf within reach of some of the country's most exhilarating adult gaming and most exciting family fun.

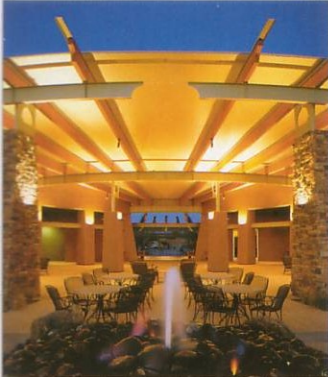

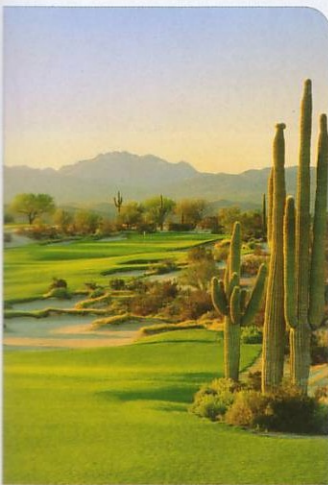

Developed and owned by the Fort McDowell Yavapai Nation, We-Ko-Pa Golf Club is one of Arizona's most highly regarded and talked-about golf facilities. Deftly carved out of the stunning desert landscape by golf course architect Scott Miller, We-Ko-Pa's Cholla Course opened December 2001 and is renowned for its natural beauty and unprecedented serenity. We-Ko-Pa's second course, Saguaro, opened for play December 2006. Designed by Bill Coore and Ben Crenshaw, Saguaro boasts a more classic feel, much like the walkable private clubs found on the East Coast, where greens are in close proximity to the next tee and the course effortlessly follows the natural movement of the land.

Both of We-Ko-Pa's courses are threaded through an open expanse overlooking Red Mountain, the Verde and Salt River Valleys and the legendary Superstition

Mountains, with no real estate development to impede the panoramic views. Regardless of which course you play, you're in for a desert golf experience unlike any other in Arizona.

Also drawing inspiration from the surrounding environment and the rich Yavapai culture is We-Ko-Pa's spectacular clubhouse. A gorgeous wooden-beam canopy and elegantly sloped walls create a canyon-like entryway to usher guests into the golf club's social hub, followed by a unique fire and water feature designed to honor the importance of woven baskets within the Yavapai tradition. However, these beautiful architectural aspects pale in comparison to the spectacular views of the area's breathtaking peaks.

Though golf is the focal point at We-Ko-Pa Golf Club, the nearby Radisson Fort McDowell Resort & Casino offers a wide range of activities and amenities for all ages. In addition, Fort McDowell Adventures gives guests a taste of the West, while the pools and water playscape present everyone with an opportunity to cool down and have fun. And for adults, the casino provides a wealth of chances to win big on slot machines, in the card room or playing live Keno or Bingo. X
