Dear Golfers,

Founded in 2008 as a charitable 501c(3) organization, the Yavapai Indian Foundation aims to provide philanthropic support to assist the Yavapai Nation and its People. We are building on the proud traditions of the Yavapai Nation, by calling on the strength of our past and the resolve of the present, along with the promotion and implementation of the Heritage Campaign. Our focus is to preserve the legacy of our ancestors and create a strong foundation upon which our children, and their children, can build a better future. The additional goal of the Yavapai Indian Foundation is the preservation of the Yavapai Heritage, Culture & Language, which is rooted in the spirit of overcoming life's many challenges. The Foundation will support a variety of ongoing initiatives, including; encouraging healthy lifestyles through activities and program funding with emphasis on pediatric diabetes awareness and prevention in Fort McDowell and throughout Indian Country. Our Foundation contributes to outreach initiatives and educational programs to improve the academic success of our children. Additional aspirations include, an Assisted Living Center for our Elderly and a new Youth Gymnasium & Swimming Pool with multi-purpose meeting space. With these goals in mind, we are excited to announce the Inaugural Charity Golf Event benefitting the Yavapai Indian Foundation.

We-Ko-Pa Golf Club, an Enterprise of the Fort McDowell Yavapai Nation, is proud to host the Third Annual Charity Golf Event benefitting the Yavapai Indian Foundation. The Event is scheduled for Monday, December 11, 2017, on the Scott Miller-designed Cholla Course. Cholla is rated as one of the top Public Course in Arizona by GolfWeek Magazine, and has received countless awards since opening in 2001. The Cholla course also completed a major renovation last year that has been extremely well received. The Event will begin at 10:00am with a Shotgun start, and is limited to the first 36 Foursomes to register. This Event will be a Four Person Scramble, with breakfast and awards banquet to follow play on the We-Ko-Pa Patio. Fees are \$800 per Foursome or \$250 per Individual.

Several sponsorship opportunities will also be available, such as; hosting the Practice Tee, Breakfast, Lunch, and Hole Sponsorships. Please contact Raphael Bear or Owen Doka about these exciting opportunities for exposure and marketing during this Event.

To participate, please complete the enclosed Registration Form, and return via fax or email with your choice of payment. Our goal is to create an exciting day of golf and camaraderie, while raising funds and providing continued opportunities for the Members of the Fort McDowell Yavapai Nation. We appreciate your support of the Yavapai Indian Foundation. We look forward to seeing you on December 11th!

Sincerely,

Raphael Bear
